## MEMBERSHIP APPLICATION FORM

In order to keep this unique mill engine in steam we rely on our members not only for the contribution that their annual fees provide, but also for their valuable help and assistance in running the museum.

Members can visit the museum free of charge on almost every Saturday throughout the year as well as on every public steaming day. A list of Steaming Days can be found on our website. The mill engine is kept running by a small band of dedicated volunteers from all sorts of backgrounds. Many skills are useful, if you have some engineering knowledge, would like to learn new skills, control the engine, run the loom or just to help out on steaming days there is a warm welcome at Bancroft for you - you need only tick the appropriate box below.
