Weaving demonstrations, artefacts, Cornish boiler under steam, model engines, all on view. The Bradley engine rebuild is ongoing.

Ample free car park, souvenir shop with Bancroft Mill memorabilia, DVDs, clocks and tea towels woven on site. The cafeteria will be open from 1.15pm.

Since the last steaming we have had two local groups of children pay a visit to the mill to learn about local industrial history and the part that Bancroft Mill played in it. Left is level 5 from the Barnoldswick Church Of England Primary School who sang a song for us before they left. Right is of children from Salterforth Primary School, who arrived on a very wet and windy afternoon having walked from school more than a mile away. Would your child's school like to visit?
