## STONE THE CROWS AT CHORLEY IN 2011.

In addition to this second appearance of Stone the Crows at Bancroft there will be a short ceremony to honour the memory of four ladies of one family who all worked at Bancroft Mill. A plaque will be unveiled in the presence of second, third and fourth generation descendants of the elder of these ladies who was originally from Earby, our member and her grandson, Frank Turner, will perform the ceremony.

We would also like to record our appreciation of the efforts of Peter R. and Ian M. Who have laboured long and hard to replace the beam on our working loom. There were originally 638 new ends to tie on to the existing warp ends, these two volunteers are nearly there and one thinks that they could tie weavers' knots in their sleep after this marathon.

We also wish to mark our appreciation of the efforts made by the Pendle Member of Parliament, Andrew Stephenson, in trying to reduce certain utility charges to be made on Bancroft Mill Engine Trust.
