free parking**

MUSEUMS IN THE MAKING

Desmond Kennard, Principal Consultant of a group of museums in New South Wales has pointed me in the direction of their re-vamped website for the Goulburn Water works pumping station in NSW. <http://www.goulburnwaterworks.com>. Its location is breathtaking and the museum is well worth a visit if you're travelling south of Sydney.

Thanks for the information Desmond!

INJURY Our member and Ellenroad event organiser, Zoe Renshaw, after completing the recent London Marathon has suffered injury resulting in cracked ribs and some bone damage in her knee. We wish her a speedy recovery.

An active lady helping those with Crone's Disease, and a sufferer herself, her injuries are not in any way connected with this latest beautiful acquisition of hers.

MRS. P. CHAPMAN

Mrs. Chapman, a founder member and volunteer for over 30 years will not be on our Reception Desk at this steaming. She is recovering from a small operation and we also wish her a speedy recovery.

JAGUAR CAR CLUB - STOLEN JAGUAR LEAPER

Bancroft has had several connections with Jaguar owners in recent years. One of these involves Morgan's Historic & Classic Vehicle Events Yearbook which is published by the Rotary Club of York Vikings. It has kindly published our details and steaming dates annually.

Tony Raylor the editor and Jaguar Owners Club member has been in touch to say that a large Jaguar Leaper was stolen from a meeting at Croft Aerodrome over the weekend 2/3rd August and asks if anyone should see it advertised for sale to advise Geoff Mansfield on 01388 722570 or 07715998110 or e-mail: gands.mansfield@gmail.com. They would be very grateful for any information.

Additionally, members will remember a meeting of another group, Jaguar Enthusiasts, who visited us on our 30th Anniversary at Bancroft. They were headed by Doug and Sally Edmondson who also run The Jazz Company that provides cool music at Roland's Restuarant in Keighley.
