## **ASSOCIATE MEMBERSHIP APPLICATION FORM**

In order to keep our engines in steam and our looms weaving we rely on our Associate Members not only for the contribution that their annual fees provide, but also for their valuable help and assistance in running the museum.

Associate Members can visit the museum free of charge on almost every Saturday throughout the year as well as on every public steaming day. A list of Steaming Days can be found on our website. The Museum is kept running by a small band of dedicated volunteers from all sorts of backgrounds. Many skills are useful, if you have some engineering knowledge, would like to learn new skills, control the engine, operate the looms or just to help out on steaming days there is a warm welcome at Bancroft for you - you need only tick the appropriate box below.

If you are a UK tax payer it would also be helpful if you could tick the Gift Aid box as it allows the Charity to reclaim the tax paid on your membership fee at the standard income tax rate.

Please use a separate form for each person except for Family Membership:
